

(5) If a request for reinspection is not made within 15 days, the physical inspection report issued to the PHA will be the final physical inspection report.

(b) The Physical Inspection Report includes the following items:

(1) Normalized weights as the “possible points” by area;

(2) The area scores, taking into account the points deducted for observed deficiencies;

(3) The H&S deductions for each of the five inspectable areas; a listing of all observed smoke detector deficiencies; and a projection of the total number of H&S problems that the inspector potentially would see in an inspection of all buildings and all units; and

(4) The overall property score.

§ 902.27 Physical condition portion of total PHAS points.

Of the total 100 points available for a PHAS score, a PHA may receive up to 30 points based on the Physical Condition Indicator.

Subpart C—PHAS Indicator #2: Financial Condition

§ 902.30 Financial condition assessment.

(a) *Objective.* The objective of the Financial Condition Indicator is to measure the financial condition of a PHA for the purpose of evaluating whether it has sufficient financial resources and is capable of managing those financial resources effectively to support the provision of housing that is decent, safe, sanitary and in good repair.

(b) *Financial reporting standards.* A PHA's financial condition will be assessed under this indicator by measuring the PHA's entity-wide performance in each of the components listed in § 902.35, on the basis of the annual financial report provided in accordance with § 902.33.

§ 902.33 Financial reporting requirements.

(a) *Annual financial reports.* PHAs must submit their unaudited and audited financial data to HUD on an annual basis. The financial information must be:

(1) Prepared in accordance with Generally Accepted Accounting Principles (GAAP) as further defined by HUD in supplementary guidance; and

(2) Submitted electronically in the format prescribed by HUD using the Financial Data Schedule (FDS).

(b) *Annual financial report filing dates.* The unaudited financial information to be submitted to HUD in accordance with paragraph (a) of this section, must be submitted to HUD annually, no later than two months after the end of the PHA's fiscal year end, with no penalty applying until the 16th day of the third month after the PHA's fiscal year end in accordance with Uniform Financial Reporting Standards (see 24 CFR part 5, subpart H). An automatic one month extension will be granted for PHAs with fiscal years ending September 30, 1999 through June 30, 2000.

(c) *Reporting compliance dates.* The requirement for compliance with the financial reporting requirements of this section begins with PHAs with fiscal years ending on and after September 30, 1999. Unaudited financial statements will be required two months after the PHA's fiscal year end, and audited financial statements will be required no later than 9 months after the PHA's fiscal year end, in accordance with the Single Audit Act and OMB Circular A-133 (see 24 CFR 84.26).

§ 902.35 Financial condition scoring and thresholds.

(a) *Scoring.* Under PHAS Indicator #2, REAC will calculate a score based on the values of financial condition components, as well as audit and internal control flags. Each financial condition component has several levels of performance, with different point values for each level. A PHA's score for a financial condition component depends upon both the level of the PHA's performance under a component, and the PHA's size, based on the number of public housing and section 8 units and other units the PHA operates.

(1) Under PHAS Indicator #2, REAC will calculate a score following the procedures described in the PHAS Notice on the Financial Condition Scoring Process (PHAS FASS Notice 3), which will be published in the FEDERAL REGISTER. HUD may revise this notice
